COOPERATION AGREEMENT FOR CLERKSHIP EDUCATION
BETWEEN

THE HADASSAH MEDICAL ORGANIZATION

AND UNIVERSITY OF DEBRECEN, FACULTY OF MEDICINE

THIS AGREEMENT, made by and between THE HADASSAH MEDICAL ORGANIZATION (hereinafter referred to as "HMO"), a hospital licensed under Article of the State of Israel Public Health Law (National health order 1940) and located at Ein-Kerem and mount Scopus, Jerusalem 92000, Israel and UNIVERSITY OF DEBRECEN MEDICAL AND HEALTH SCIENCE CENTER, 4012 Debrecen, Nagyerdei Krt.98. Hungary (hereinafter referred to as "The UNIVERSITY)". The Hadassah Medical Organization is an accreditated teaching hospital of the University of Debrecen, Faculty of Medicine.

WHEREAS, the UNIVERSITY wishes to have their students enrolled in its CLINICAL CLERKSHIP TRAINING PROGRAM obtain necessary clinical observation and experience with the faculty at HMO and:

WHEREAS, HMO agrees to provide the UNIVERSITY students, who have completed all required education in basic medical and clinical sciences as per Hungarian and international standards (reviewed by US Department of Education on a regular basis),, with facilities at HMO for clinical observation and experience in clinical field work at HMO, especially in the areas of INTERNALMEDICINE, SURGERY, OBSTETRICS and GYNECOLOGY, PEDIATRICS, NEUROLOGY, and PSYCHIATRY for the purpose of providing undergraduate medical education to medical students and

WHEREAS, both parties recognize that they share mutual goals related to optimum patient care, and excellence of undergraduate medical education; and

WHEREAS, the UNIVERSITY is desirous of utilizing the clinical facilities and teaching resources of HMO to assist in providing educational experiences for its medical students; and;

WHEREAS, HMO is willing to make such clinical facilities, resources available and is desirous of instructing, guiding, and educating these same students.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, and intending to be legally bound hereby, it is agreed as follows:

1. HMO agrees to accept medical students of the UNIVERSITY, only with written permission of the University, during the term of this Agreement and to make available to such students supervised use of its patient related facilities and service, with access to diagnostic and therapeutic regimens of patients and outpatients, to their medical records, and to the medical library, and all diagnostic, therapeutic, in-patient and out-patient areas as part of the UNIVERSITY'S educational programs for such students, with proper disclosure and acceptance by patients concerned.
2. HMO agrees that students shall be permitted to rotate through the Departments of Internal Medicine, General Surgery, Pediatrics, and Obstetrics and Gynecology, Neurology, and Psychiatry, and the respective subspecialty Core and Sub-internships, and that at all times

appropriate supervision by professional staff members will be provided. The protocol for educational programs for students, collectively and individually, in each department shall be the one given to the students of the Hebrew University of Jerusalem ("HUJI"). The duration of each rotation is disclosed in the attached and annually reviewed document (Appendix 1.)

3. HMO agrees to provide faculty preceptors, residents, and/or interns acceptable to the UNIVERSITY as student instructors, such instructors, will provide guidance, instruction, and feedback to the students and act as intermediaries between the medical students and the staff. Within two weeks following completion of clerkship rotation by each student, HMO agrees to submit to the UNIVERSITY a completed copy of the UNIVERSITY'S Clerkship Evaluation Form (Appendix 2) filled out by the supervising physician

4. HMO shall insure that all physicians in core subject areas will be either board certified or board eligible.

5. HMO represents that it will maintain a minimum daily census adequate to meet the instructional needs of the number of students enrolled in each course area of clinical instruction.

6. HMO will make available to the students all on-going educational programs in the hospital.

7. The UNIVERSITY agrees that all of its Medical students placed at HMO during the term of this Agreement, shall abide by the rules, regulations and policies and procedures of HMO as they apply to the medical student and that HMO reserves the right to dismiss any student who does not follow these specific rules of conduct. The UNIVERSITY agrees to immediately remove a student from assignment at HMO upon the request of HMO to do so after HMO has determined that such removal would be in its best interest. When feasible, HMO will attempt to discuss a particular situation with the appropriate representative of the UNIVERSITY before it will make its official request for removal. HMO, however, shall have the right at any time to take whatever action it deems necessary, including barring of a student or faculty member from its premises, in order to ensure the safety and welfare of its patients and to maintain the operation of its facilities free from disruption.

8. HMO shall, as a minimum, make available to each student assigned, access to its Hospital cafeteria facility. For non Israeli students HMO will be able to supply accommodation at the dormitories for an extra payment.

9. HMO agrees to implement its Clinical Education Program in accordance with the HUJI clinical education program. The UNIVERSITY shall plan the assignments and schedule in cooperation with the Education Coordinator/Director of Medical Education for the student program at the HOSPITAL.

10. HMO understands that as part of the educational program appropriate officials of both the HMO and the UNIVERSITY will make periodic visits to each other to review the educational program. HMO agrees that during such visits persons involved with the program will be available for consultation and discussion. The students and faculty of the UNIVERSITY who are assigned to the HOSPITAL under this Agreement shall in no event be considered employees or agents of the HMO.

11. The UNIVERSITY and HMO agree that they will not discriminate against any employee, applicant for employment, student or applicant for admission because of race, creed, color, sex, sexual orientation, or place of national origin.

12. Malpractice Insurance is provided by the HMO, for the medical students, to the amount of $1,000,000 per incident, subject to an annual aggregate of $3,000,000, cost to be paid by students.

13. *Tuition fee.* The UNIVERSIY will pay the HMO $75 per week / per student for a group of no more then 6 students to be paid in advance before the beginning of the training period at the HMO.

14. The UNIVERSITY shall take responsibility for all obligations, if any are imposed by the Workers' Compensation Law of the state of Israel (National security law)

15. As far as a member of the faculty and/or a student may sustain injury or disability by reason of accident or occupational disease arising out of, or in the course of, the activities conducted under this Agreement, the UNIVERSITY shall defend, indemnify and keep, save and hold harmless HMO, their doctors, officers, employees, agents and independent contractors from any and all liability, loss or damage arising from or in connection with the activities of the UNIVERSITY'S faculty and/or students under this Agreement, including death or damages or loss of property of any nature sustained by the students and faculty of the UNIVERSITY arising out of their activities under this Agreement.

16. The UNIVERSITY will require each student, prior to commencing the rotation to provide proof a complete physical examination which complies with all Rules and Regulations, including update immunizations. All students will be offered the opportunity by the UNIVERSITY to be vaccinated with Hepatitis B vaccine. In addition, all students will complete an infectious disease prevention program prior to the beginning of the rotation. Upon request, the UNIVERSITY shall make all reports and records relating to the health of the student available at HMO. All HOSPITAL reports and records relating to the health of students, (exclusive of x-ray films and HOSPITAL inpatient and outpatient record), shall be transferred to the UNIVERSITY upon termination of this Agreement. The University declares that all students signed a waiver of medical confidentiality.

17. The UNIVERSITY shall have responsibility for the administration of the program, including the curriculum content, the requirement of matriculation, grading, graduation, and faculty appointments.

18. The number of students to be trained at HMO shall be mutually agreed upon by the UNIVERSITY and HMO, and reviewed on an annual basis. The administrators of the UNIVERSITY shall receive at the end of each March a preliminary time-table of the training in each subject defined above (point 2.) and the minimum and maximum number of students accepted in each course. The administrators of the UNIVERSITY will coordinate the sign-up of the students based on their academic performance. Students ranking higher will have the opportunity to choose first.

19. HMO shall provide initial emergency medical care for students who are injured or become ill while on rotation during this Agreement. Students shall provide their own personal Health Insurance while on rotation at HMO or purchase insurance when arriving at HMO.

20. This Agreement shall be effective upon signing by both parties, and shall remain in fall force and effect in perpetuity subject, however, to the right of either party to modify or terminate as follows: Either party to this Agreement shall have the absolute right to terminate the Agreement upon six (6) months written notice. Both HMO and the UNIVERSITY shall make its best efforts to ensure that any termination pursuant to this provision shall not take effect with respect to students already enrolled in the Program until such students have completed their clinical experience.

21. This Agreement may not be modified, amended, altered or rescinded orally.

22. The training language will be Hebrew or English.
