Name of the hospital: Tsukuba Memorial Hospital .....

V. Students accepted from the Faculty of Medicine of the given Hungarian University

V.1. Internship year (6th year medical students):

Name of the subject:

Internal Medicine (Cardiovascular Internal Medicine, Gastroenterological Medicine, Hematological Internal Medicine),

Surgery (Surgery, Respiratory Surgery, Orthopedic Surgery, Cardiovascular Surgery, Neurosurgery),

Roentgenology .....

Number of students accepted per year:

Internal Medicine 9 ～ 12 students (Cardiovascular Internal Medicine 3 ～ 4 students, Gastroenterological Medicine 3 ～ 4 students,, Hematological Internal Medicine 3 ～ 4 students),

Surgery 5～6 students (Surgery 1 student, Respiratory Surgery 1 student, Orthopedic Surgery 1～2 students, Cardiovascular Surgery 1 student, Neurosurgery 1 student),

Roentgenology 3～4 students .....

Number of weeks each student is accepted for:

Internal Medicine 6 ～ 12 weeks (Cardiovascular Internal Medicine 2 ～ 4 weeks, Gastroenterological Medicine 2～4 weeks, Hematological Internal Medicine 2～4 weeks),

Surgery 17～24 weeks (Surgery 1～4 weeks, Respiratory Surgery 4 weeks, Orthopedic Surgery 4～8 weeks, Cardiovascular Surgery 4 weeks, Neurosurgery 4 weeks),

Roentgenology 2 weeks .....

Number of hours for consultation per student per term: arbitrarily and properly for all the subjects .....

V.2 Summer practice:

Name of the subject: Internal Medicine (Cardiovascular Internal Medicine, Gastroenterological Medicine, Hematological Internal Medicine), ...

Number of students accepted per summer: 3～6 students (Cardiovascular Internal Medicine 1～2 students, Gastroenterological Medicine 1～2 students, Hematological Internal Medicine 1～2 students).....

Number of weeks each student is accepted for: 6～12 weeks (Cardiovascular Internal Medicine 2～4 weeks, Gastroenterological Medicine 2～4 weeks, Hematological Internal Medicine 2～4 weeks).....

Number of hours for consultation per student per term: arbitrarily and properly

.....

Name of the subject: Surgery (Surgery, Respiratory Surgery, Orthopedic Surgery, Cardiovascular Surgery, Neurosurgery).....

Number of students accepted per summer: 5～6 students (Surgery 1 student, Respiratory Surgery 1 student, Orthopedic Surgery 1～2 students, Cardiovascular Surgery 1 student, Neurosurgery 1 student) .....

Number of weeks each student is accepted for: 17～24 weeks (Surgery 1～4 weeks, Respiratory Surgery 4 weeks, Orthopedic Surgery 4～8 weeks, Cardiovascular Surgery 4 weeks, Neurosurgery 4 weeks).....

Number of hours for consultation per student per term: arbitrarily and properly .....

V.3 Clinical teaching blocks during the semester:

Name of the subject: Internal Medicine (Cardiovascular Internal Medicine, Gastroenterological Medicine, Hematological Internal Medicine) .....

Number of students accepted per semester: autumn: 6 students (Cardiovascular Internal Medicine 2 students, Gastroenterological Medicine 2 students, Hematological Internal Medicine 2 students……..spring: 6 students (Cardiovascular Internal Medicine 2 students, Gastroenterological Medicine 2 students, Hematological Internal Medicine 2 students).....

Number of weeks each student is accepted for: 6～12 weeks (Cardiovascular Internal Medicine 2～4 weeks, Gastroenterological Medicine 2～4 weeks, Hematological Internal Medicine 2～4 weeks).....

Number of hours for consultation per student per term: arbitrarily and properly .....

Name of the subject: Surgery (Surgery, Orthopedic Surgery) .....

Number of students accepted per semester: autumn: 1…….. spring: 1 .....

Number of weeks each student is accepted for: arbitrarily.....

Number of hours for consultation per student per term: arbitrarily and properly .....

(please duplicate this page if several subjects are to be taught in the department/unit specified in page 1.)

(date):

signature of the department/unit head

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Cardiovascular Internal Medicine .....

I. Personnel:

Head of the department/unit (name): Tsuyoshi Enomoto.....

Specialization(s): .....

Years worked as a specialist : 10 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents , non-specialists and specialists) : 7 .....

Number of residents and non-specialists: 5 .....

Number of specialists (doctors only): 2.....

Number of doctors having more than one specialization: 2 .....

II. Patients:

- Number of inpatient beds: 50 .....
- Outpatients per year: 39,500.....
- Special profile(s) of the department/unit: Ischemic disease, Arrhythmia, Hyperpiesia, Heart failure .....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: MRI, Coronary CT.....
- Molecular and macroscopic pathology: .....
- Other services: Cardic catheter, Nuclear medicine, Stress electrocardiogram, Cardic echo

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 3～4.....
- Cumulative number of contact hours for medical students: 2～4 weeks.....
- Number of residents trained per semester: 3 .....
- Cumulative number of contact hours for resident education: 2 months.....

4

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Gastroenterological Medicine .....

I. Personnel:

Head of the department/unit (name): Kazuto Ikezawa .....

Specialization(s): .....

Years worked as a specialist : 16 years .....

Scientific degree: .....

Medical staff of the department/unit:

Total Number of doctors (residents , non-specialists and specialists) : 7 .....

Number of residents and non-specialists: 3 .....

Number of specialists (doctors only): 4 .....

Number of doctors having more than one specialization: 4 .....

II. Patients:

- Number of inpatient beds: 80 .....
- Outpatients per year: 22,500 .....
- Special profile(s) of the department/unit: Gastroenterological Disease (Liver, Cholecyst, Pancreas) .....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Endoscope

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 3～4 .....
- Cumulative number of contact hours for medical students: 2～4 weeks .....
- Number of residents trained per semester: 3 .....
- Cumulative number of contact hours for resident education: 2 months .....

5

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Hematological Internal Medicine .....

I. Personnel:

Head of the department/unit (name): Yuji Sato.....

Specialization(s): .....

Years worked as a specialist : 20 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents , non-specialists and specialists) : 6 .....

Number of residents and non-specialists: 4 .....

Number of specialists (doctors only): 2 .....

Number of doctors having more than one specialization: 2 .....

II. Patients:

- Number of inpatient beds: 40 .....
- Outpatients per year: 11,000.....
- Special profile(s) of the department/unit: Hemodyscrasia, Cancer.....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Nuclear medicine.....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 3～4.....
- Cumulative number of contact hours for medical students: 2～4 weeks .....
- Number of residents trained per semester: 3 .....
- Cumulative number of contact hours for resident education: 2 months.....

6

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Surgery.....

I. Personnel:

Head of the department/unit (name): Toshiki Sato.....

Specialization(s): .....

Years worked as a specialist : 8 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents , non-specialists and specialists) : 6 .....

Number of residents and non-specialists: 3 .....

Number of specialists (doctors only): 3 .....

Number of doctors having more than one specialization: 2 .....

II. Patients:

- Number of inpatient beds: 45 .....
- Outpatients per year: 18,500.....
- Special profile(s) of the department/unit: Gastrointestinal Tract (Liver, Cholecyst, Pancreas).....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Endoscope.....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 2.....
- Cumulative number of contact hours for medical students: 2 weeks.....
- Number of residents trained per semester: 2 .....
- Cumulative number of contact hours for resident education: 3 months.....

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Respiratory Surgery .....

I. Personnel:

Head of the department/unit (name): Koichi Kamiyama .....

Specialization(s): .....

Years worked as a specialist : 24 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents , non-specialists and specialists) : 3 .....

Number of residents and non-specialists: 1 .....

Number of specialists (doctors only): 2.....

Number of doctors having more than one specialization: 1 .....

II. Patients:

- Number of inpatient beds: 15 .....
- Outpatients per year: 5,200.....
- Special profile(s) of the department/unit: Respiratory apparatus, Lacteal gland .....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Bronchoscope, Abdominoscope .....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 1.....
- Cumulative number of contact hours for medical students: 2 weeks.....
- Number of residents trained per semester: 1 .....
- Cumulative number of contact hours for resident education: 3 months.....

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Orthopedic Surgery .....

I. Personnel:

Head of the department/unit (name): Sachio Ikeshiba .....

Specialization(s): .....

Years worked as a specialist : 15 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents, non-specialists and specialists): 6 .....

Number of residents and non-specialists: 3 .....

Number of specialists (doctors only): 3 .....

Number of doctors having more than one specialization: 2 .....

II. Patients:

- Number of inpatient beds: 70 .....
- Outpatients per year: 30,000.....
- Special profile(s) of the department/unit: Spondylus, Hip joint, Knee joint.....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Bone density, Fluoroscopy room examination.....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 7.....
- Cumulative number of contact hours for medical students: 2 weeks.....
- Number of residents trained per semester: 2 .....
- Cumulative number of contact hours for resident education: 2 months.....

9

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Cardiovascular Surgery .....

I. Personnel:

Head of the department/unit (name): Yoshihiro Suematsu .....

Specialization(s): .....

Years worked as a specialist : 15 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents, non-specialists and specialists): 3 .....

Number of residents and non-specialists: 0. .....

Number of specialists (doctors only): 3 .....

Number of doctors having more than one specialization: 3 .....

II. Patients:

- Number of inpatient beds: 10 .....
- Outpatients per year: 3,400 .....
- Special profile(s) of the department/unit: Heart blood vessel, Peripheral blood vessel ....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Cardic catheter, DSA, Laser .....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 1 .....
- Cumulative number of contact hours for medical students: 2 weeks .....
- Number of residents trained per semester: 1 .....
- Cumulative number of contact hours for resident education: 2 months .....

10

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Neurosurgery.....

I. Personnel:

Head of the department/unit (name): Takashi Kakuda.....

Specialization(s): .....

Years worked as a specialist : 16 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents, non-specialists and specialists): 3 .....

Number of residents and non-specialists: 0. .....

Number of specialists (doctors only): 3 .....

Number of doctors having more than one specialization: 2 .....

II. Patients:

- Number of inpatient beds: 50 .....
- Outpatients per year: 35,000.....
- Special profile(s) of the department/unit: Cranial nerve .....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: X-ray, CT, MRI .....
- Molecular and macroscopic pathology: .....
- Other services: Nuclear medicine, ANGIO .....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: 1 .....
- Cumulative number of contact hours for medical students: 2 weeks .....
- Number of residents trained per semester: 1 .....
- Cumulative number of contact hours for resident education: 2 months.....

Appendix 1:
Questionnaire for accreditation as "Teaching Hospital" or clinical training site in Hungarian medical education

Name of the hospital: Tsukuba Memorial Hospital .....

Department/unit: Rotentgenology .....

I. Personnel:

Head of the department/unit (name): Yuiga Kujiraoka .....

Specialization(s): .....

Years worked as a specialist : 19 years .....

Scientific degree: . .....

Medical staff of the department/unit:

Total Number of doctors (residents, non-specialists and specialists): 4 .....

Number of residents and non-specialists: 2. .....

Number of specialists (doctors only): 2 .....

Number of doctors having more than one specialization: 2 .....

II. Patients:

- Number of inpatient beds: .....
- Outpatients per year: .....
- Special profile(s) of the department/unit: Radiation diagnosis .....

.....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: .....
- Radiology, X-ray, CT, MRI, PET: 3 X-ray, 2 CT, 2 MRI .....
- Molecular and macroscopic pathology: .....
- Other services: .....

.....

IV. Gradual and postgradual training (in the department/unit specified above, per semester):

- Number of medical students trained per semester: .....
- Cumulative number of contact hours for medical students: .....
- Number of residents trained per semester: 3 .....
- Cumulative number of contact hours for resident education: 2～3 months .....
