

INVITATION

The Doctoral Committee of Medical Sciences at the University of Debrecen kindly invites you to the public defence of the doctoral (PhD) dissertation entitled

Effects of polyphenols on P-glycoprotein (ABCB1) activity

by Kuljeet Singh

Held in:

University of Debrecen, Faculty of Medicine, Department of Obstetrics and Gynaecology, Lecture Hall, at 13.00 PM on December 12, 2025.

The defense shall be chaired by: László Fésüs, PhD, DSc, MHAS
Official opponents: Ágnes Telbisz, PhD
Judit Váradi, PhD

The dissertation may be looked into in the University of Debrecen Electronic Archive (<https://dea.lib.unideb.hu>). Everyone present may participate in the public defence, and may submit written remarks in advance.

The Doctoral Committee of Medical Sciences, University of Debrecen
