Dear Students,

The University of Debrecen launches a student satisfaction survey in order to get to know your opinion, comments and suggestions regarding the conditions provided by your training programme and the institution. The purpose of this survey is to reveal which fields of higher education are suitable for improving the efficiency of our students and, at the same time decrease the number of students dropping out. We would like to see what factors motivated students when choosing our institution and what are the obstacles or difficulties they have to face in the future.

Sincerely,

Prof. Dr. Elek Bartha, Vice-Rector for Education
