UNIVERSITY of
DEBRECEN

We are happy to introduce the brand new application of the University of Debrecen developed for our students. The purpose of the app is to help you with university life, provide quickly accessible information about your studies, offer guidance for situations and issues that may come up during your university years, and we bring the cultural and sport-related events of UD and Debrecen closer to you.

UD STUDYVERSITY

University of Debrecen Student App

MAIN FUNCTIONS

NEPTUN INTEGRATION

The App enables the display of your schedule, your courses and exams taken and their synchronisation into the calendar of your phone. Additionally, you can also monitor your omnibus account balance.

STUDENT INFORMATION

With just a few clicks you can check the information closely related to your studies: your programme data, the current academic calendar, contact information for the Registrar's Office, you can obtain information about scholarships and much more.

MOOD REPORTING

If you feel like participating, you may describe how you feel each day. In exchange, you will be able to open a gift box containing some good music, a witty quotation or an entertaining video.
