

Appendix 1: Questionnaire for accreditation as “Teaching Hospital” to the University of Debrecen, Faculty of Medicine.

Appendix 1: Questionnaire for accreditation as “Teaching Hospital” to the University of Debrecen, Faculty of Medicine.

Name of the hospital: Kaplan Medical Center

Department/unit: Department of Medicine A

I. Personnel:

Head of the department/unit (name): Professor Ami Schattner

Specialization(s): Internal Medicine and Hypertension

Years worked as a specialist 30 Years

Scientific degree: Full Professor

Medical staff of the department/unit:

Number of residents and non-specialists: 5

Number of specialists (doctors only): 6

Number of doctors having more than one specialization: 4

II. Patients:

- Number of inpatient beds: 38

- Outpatients per year: 1000

- Special profile(s) of the department/unit: **Focus on medical education and the role of simple clinical methods (history, examination, interpretation) in diagnosis;** Rheumatology; Endocrinology and Diabetes, Hypertension.

- **III. Diagnostic facilities and services available for the department/unit:**

- Clinical biochemistry: Yes

- Radiology, X-ray, CT, MRI, PET: Yes

- Molecular and macroscopic pathology: Yes

- Other services: The hospital provides all medical and Paramedical services {except neurosurgery}.

.....
IV. Graduate and postgraduate training (in the department/unit specified above, per semester):

- Number of medical students trained: 30 per year.

- Cumulative number of contact hours for medical students: 6 hours per day per student.

- Number of residents trained: 5-7 per year

- Cumulative number of contact hours for resident education: 8 hours per day

Appendix 1: Questionnaire for accreditation as “Teaching Hospital” to the University of Debrecen, Faculty of Medicine.

V. Students accepted from the University of Debrecen, Faculty of Medicine:

V.1. Internship year (6th year medical students):

Name of the subject: INTERNAL MEDICINE

Number of students accepted per year: 6-8

Number of weeks each student is accepted for: 12

Number of hours for consultation per student per term: 6 hrs per day

V.2 Summer practice:

Name of the subject: INTERNAL MEDICINE

Number of students accepted per summer: 6-8

Number of weeks each student is accepted for: 10

Number of hours for consultation per student per term: 4

(date): 28.11.2010

signature of the department/unit head

Name printed:

**Professor Ami Schattner
Professor of Medicine
Hebrew University Hadassah Medical School, Jerusalem
Head, Dept. of Medicine A, Kaplan Medical Center**

Appendix 1: Questionnaire for accreditation as “Teaching Hospital” to the University of Debrecen, Faculty of Medicine.

Appendix 1: Questionnaire for accreditation as “Teaching Hospital” to the University of Debrecen, Faculty of Medicine.

Name of the hospital: Kaplan Medical Center

Department/unit: Department of Medicine B

I. Personnel:

Head of the department/unit (name): Sthoeger Zev MD

Specialization(s): Internal Medicine, Allergy and Clinical Immunology, and AIDS.

Years worked as a specialist: 20 Years

Scientific degree: MD, Professor

Medical staff of the department/unit:

Number of residents and non-specialists: 10

Number of specialists (doctors only): 7

Number of doctors having more than one specialization: 5

II. Patients:

- Number of inpatient beds: 38

- Outpatients per year: 8500

- Special profile(s) of the department/unit: The Department specialized in the treatment of classic Internal Medicine patient with lung, heart and infectious diseases, As well as patients with neurological and other internal medicine subspecialties. The department focuses on complicated cases of Immunology and allergy and other complicated internal medicine cases The Department specialized in the treatment of patients with Immunology and allergy disorders and patients with HIV (Diagnosis, treatment and prevention and F/U).....

III. Diagnostic facilities and services available for the department/unit:

- Clinical biochemistry: Yes

- Radiology, X-ray, CT, MRI, PET: Yes

- Molecular and macroscopic pathology: Yes

- Other services: The hospital provides all medical and Paramedical services {except neurosurgery}.

IV. Graduate and postgraduate training (in the department/unit specified above, per semester):

- Number of medical students trained: 30 per year.
