SUBJECT REGISTRATION

– How can I register for subjects?

STEP 1 – Declaration of semester status

First you should make a statement in “Administration” menu - “Enrollment/Registration” sub-menu whether you wish to be an active or passive student in this semester. Click on “[+]” at the end of the row of 2024/25/1 term. Then, in a pop-up window you have to declare your required status by choosing “Active” or “Passive”.

STEP 2 – Subject registration in case of choosing “Active” status Go to “Subjects” menu – “Register for subject” sub-menu!

Set “Terms” 2024/25/1!

By selecting „Subjects currently offered only” you can be sure to have only those subjects displayed on the subject list which is offered in the selected semester.

Then click on “List subjects”!

STEP 3 – Course registration

If you have found the required subject, click on the name of it and then a pop-up window appears with data of the selected subject. Under the “Subject’s courses” tab you can find the available courses listed.

Subjects can consist of 1, 2 or 3 courses: Lecture (Theoretical) and/or Seminar and/or Practical.

You have to select one from each course type, otherwise your subject registration will be unsuccessful.

Practices and in most cases Seminars can be found by groups. The group number is indicated at the end of the course code. e.g.: AOIGA03T9_Pr_03 => Practice for Gr.3. You will be able to sign up only for the course that belongs to your group. If you select a course with an incorrect group, your subject registration will be unsuccessful. You can check your group number in “Studies”/“Term data” menu, “Basic term data” tab, Study group.
