

MSc in Molecular Biology

Chiefs of training and modules

		Institute	E-mail	Address, central phone with extension
Chief of training	Attila Tóth M.Sc., Ph.D., D.Sc. professor	Division of Clinical Physiology	atitoth@med.unideb.hu	Augusztai building, lower ground, lower ground floor (Clinical physiology) +36 52 411 600 / 56274
Chief of Biochemistry- Genomics Specialization	Viktor Dombrádi M.Sc., Ph.D., D.Sc. professor	Department of Medical Chemistry	dombradi@med.unideb.hu	Life Sciences Laboratory building, floor 3, 3.308 +36 52 518 600 / 61172
Chief of Immunology, Cell and Microbiology Specialization	Attila Bácsi M.Sc., Ph.D., D.Sc. professor	Department of Immunology	etele@med.unideb.hu	Life Sciences Laboratory building, floor 2, 2.206, 2.003-2.004 +36 52 411 717 / 65776, 65541
Coordinator	Beáta Scholtz M.Sc., Ph.D. associate professor	Department of Biochemistry and Molecular Biology	scholtz@med.unideb.hu	In Vitro Diagnostics Building, floor 3, 3.2.1 +36 52 411 717 / 50215
Coordinator	Beáta Lontay M.Sc., Ph.D. associate professor	Department of Medical Chemistry	lontay@med.unideb.hu	Life Sciences Laboratory building, floor 3, 3.303 +36 52 518 600 / 61180, 61186
Academic Advisor	János Magyar M.D., Ph.D., D.Sc. professor	Department of Physiology	magyar.janos@med.unideb.hu	Theoretical Studies Quadrangle, Building "U", floor 1 +36 52 411 600 / 54461
