

**Dear Dentistry Students,
INFORMATION!**

DEGREE THESIS PREPARATORY COURSE I-IV.

- University of Debrecen, Faculty of Dentistry (FD) announces 4 degree thesis preparatory courses.
- The prerequisite for taking the degree thesis preparatory courses is to submit the chosen degree thesis title at least 4 semesters before the scheduled graduation on the **form**, issued by the FD Education Office (LOGIN: <https://dental.unideb.hu>) (**from Sept 9 to September 27, 2024 - DECLARATION OF RECIPIENT 2024/2025**), in the **Faculty of Dentistry, Department of Operative Dentistry and Endodontics, Secretariat-**, with the approval of the thesis supervisor, who will authorize this with their **signature**. At the same time, it is recommended to enroll for degree thesis preparatory course I.
- Without completing preparatory course I and II, the degree thesis cannot be submitted.
- The preparatory courses can be completed in the same semester.

The list of degree thesis titles/supervisors will be uploaded to the Faculty of Dentistry faculty website on September 2, 2024.
