1.11) Other points about the practical lesson:

give the teacher the Money We pay in the ~~the~~ Erste Bank, so they will be happier & we will be happier.

Sometimes we are left alone, a bit to long and a bit to often.

More practices are needed, it is difficult to work quickly when one teacher is managing 5 students who all have multiple patients.

SHE IS A GOOD TEACHER IN GENERAL. I JUST WISH THAT SHE WOULD STAY IN THE PRACTICE ROOM (SHE LEAVES THE ROOM FREQUENTLY...) DURING PRACTICE HOURS.

More complex practice, More instruments.
X-ray must close AT 4 NOT AT 3PM!

1. WE WANT TO HAVE MORE COMPLEX PRACTICE RATHER THAN ASSISTANCE PRACTICE.
2. WE HOPE ALL ~~THESE~~ NECESSARY INSTRUMENTS TO BE AT

Dr. Martos ~~was~~ very good in her job & has good skills. She showed me all her good techniques to manage the treatment. However, it feels sometimes anxious to ask her for explanations during the treatment.

I think we need more practices!

More discussion about clinical cases, treatment plan etc

I would like that the teacher allow us to come up ^{with} the treatment plan and discuss why good or bad.

Dr. Martos, ^{very} ~~she~~ is good in esthetic filling. That's what I learned best!

In the 5th year we need more ~~and~~ practices instead of assistancy.

in my opinion she is ^{the} best teachers, she really made me interested, and I really learned alot this semester rather than other

- 1) WE NEED MORE COMPLEX PRACTICES rather than Assistance Practice.
- 2) We need ~~for~~ more Restorative Equipment, it is INSUFFICIENT.
- 3) We need X-ray until 4 o'clock.

The best practice teacher I had. Independent in practice.

Independent work, good explanations and punctuality has been excellent!

- Less assisting classes, more complex practice hours.
- Some instruments cannot be found in the practice! ▽

THERE WAS MORE ASSISTANCE PRACTICE
IN COMPARE WITH COMPLEX

It is usefull, But it would de more usefull if it would be better assistancy help, because this is the most time consuming part, (the not professional students) & the staff assistant
