

**WE ARE IN SEARCH  
OF GREAT MINDS THAT  
THINK NOTHING ALIKE.**

### **2022 Brokerage and Clearing Automation Internship – Budapest**

We are looking for an intern who use their **coding and analytical skills** to support the Automation team in our Budapest office for a **6-12 months** period in **20/30/40 hours** per week (flexible). The team develops automated workflows and dashboards using Alteryx, Excel, Access, VBA, Python, Tableau, PowerBI and other tools. A supportive and vibrant multinational environment will inspire you to continuously develop that can lead to an opportunity to receive an Internship extension / Full-time **offer** upon graduation.

#### **Role and Responsibilities:**

- Develop automations mainly in Excel, Access and PowerPoint using **VBA**
- Work **independently** on tasks or projects
- Maintain relationship with **internal clients**
- **Support** and **maintain** existing workflows

#### **Qualifications and Skills:**

- Ongoing **BSc/MSc studies** in Finance/Economics or other quantitative fields
- Interest in **Automation**
- Confident knowledge of **Excel**
- Experience with **VBA** or other coding languages
- Knowledge of financial markets and products
- Good command of spoken and written English
- Good numerical and analytical skills

#### **Application process:**

If you are interested in the above opportunity, please apply by uploading your English CV [here](#).
