

CURRICULUM VITAE

Name: Attila Kuki

Nationality: Hungarian

Born: November 2, 1964, Tiszalök, Hungary

Office: Department of Informatics Systems and Networks, University of Debrecen

Address: 4028 Debrecen, Kassai út 26., Hungary

Postal Address: 4002 Debrecen, Pf. 400. Hungary

E-Mail: kuki.attila@inf.unideb.hu

WWW: irh.inf.unideb.hu/user/kuki/index.html

Studied mathematics and statistics at University of Debrecen 1984-1989. Received the M.Sc. in 1989, Dr. Univ. in 1995 in mathematics and PhD in 1997 from the University of Debrecen.

DEGREE: PhD in mathematics, 1997

POSITION HELD:

- Associate 1989-1991,
- Research Fellow 1991-1997,
- Assistant Lecturer 1997-

at the Department of Information Technology and at Department of Informatics Systems and Networks, University of Debrecen.

FIELD OF INTEREST:

- System engineering,
- Statistical applications in informatics,
- Information systems,
- Programming languages
- Performance evaluation of information systems
- System Engineering.

PROFESSIONAL EXPERIENCES:

- 1998 one month research project at Erlangen University, Germany
- 2000 two weeks research project at Barcelona University, Spain

· 2005 two weeks research project at Erlangen University, Germany

· 2014 two weeks research project at Jiaotong University, Beijing, China

TEACHING EXPERIENCE: Graduate courses in computer statistics. Seminars in database systems, programming languages, computer statistics, system engineering, stochastic simulation, computer networks.

Debrecen, 2016. September
